

My voice over services include:

- Free-of-charge auditions with one revision to clarify the voice type before undertaking the job.
- Two takes of the script varying in either voice type or script interpretation.
- Option of standard editing or a RAW file.
- Can provide an mp3 or wav file
- E-mailing responses within or less than 12 hours of contact being made.
- An invoice will be sent following the work's completion. PayPal and Card is accepted.

Standard editing includes Noise Removal, Normalization and manual Compression.

Should the project require multiple files, please see the 'additional costs' section
